

Multimedia University Engineering Conference

Hybrid conference, 21-23 July 2025

Embracing the future of Smart World Through Engineering, AI and Technology

The **Multimedia University Engineering Conference 2025** aims to bring together related research scholars, educators, practitioners, policy makers, enthusiasts, fellow students, and industries to share and exchange their research experiences and results on all aspects of engineering technologies from various perspectives, disciplines, and fields. It also offers an interdisciplinary platform for all stakeholders to present and discuss the latest trends, innovations, and concerns as well as practical challenges encountered, and solutions adopted in the realm of engineering technologies. This conference is being co-organised by Centre for Wireless Technology, Faculty of AI & Engineering and Faculty of Engineering and Technology (FET), Multimedia University.

- 15 March 2025 • **Abstract submission**
- 30 April 2025 • **Paper / poster submission**
- 31 May 2025 • **Acceptance notification**
- 6 June 2025 • **Early bird registration**
- 15 June 2025 • **Camera ready submission**
- 16 June 2025 • **Registration**
